**ADDENDUM TO THE UNAUDITED SECOND QUARTER FINANCIAL RESULTS FOR THE PERIOD ENDED 31 DECEMBER 2017 AND PRESS RELEASE**

---

The Board of Directors (the “**Board**”) of Health Management International Ltd (the “**Company**”) refer to the announcement released on 12 February 2018 in relation to the unaudited second quarter financial results for the period ended 31 December 2017 (“**Results Announcement**”) together the press release (“**Press Release**”).

The Board wishes to clarify that there are typographical errors on the Results Announcement and Press Release, as stated below:

- (a) Results Announcement – Page 11, under item 8 - “(i) INCOME STATEMENT”, second sentence of the first paragraph

Turnover from the Group's healthcare business accounted for approximately RM 8.7 million of the increase mainly due to higher patient load and average bill sizes in its two hospitals i.e. Mahkota Medical Centre Sdn. Bhd. (“MMCSB”) and Regency Specialist Hospital Sdn. Bhd. (“RSHSB”). The Group's education business registered a ~~RM 2.9% million~~ RM 2.9% million increase in revenue due to higher student headcount.

- (b) Press Release – Page 1, second sentence of the second paragraph

Additionally, higher student enrolment contributed to topline growth as the Group's education business reported a ~~RM2.9% million~~ RM2.9% million increase in revenue.

The above are purely typographical errors and do not affect the unaudited second quarter financial results of the Company and the Group.
